## Message from Dawn

*To know and be known*

Driving from Shotesham towards Norwich I look out for the 'odd one' among the flock of sheep near Stoke Church. When the flock was white, there was a single black sheep among them. More recently the flock has been black with a single white sheep...

Occasionally it seems as though I stand out as the 'odd one' when I'm greeted by name by people locally who recognise me – although I must confess, I don't always immediately recognise them.

God has no such trouble recognising and identifying each one of us. The Bible tells us that he knew us before we were born – he formed us in the womb and he knows the number of hairs on our head.

When we see a flock of sheep, they all look the same – to the untrained eye there is nothing to distinguish them. But to the shepherd each one has a story and each face is known. To Jesus, who is the Good Shepherd, each one of us has a story and each face a name. We are known intimately by Jesus – even if we know nothing about him.

We may be known by a lot of people, but to be known by God himself is an awesome thought. We are precious to him and he longs to be precious to each one of us. Surely it's worth getting to know the One who carries us in his heart and can identify us from among everyone else.

You'll never feel overlooked or undervalued again!

With every blessing

*Dawn*

**Our Harvest Festival service is at 11.00am on 2<sup>nd</sup> October at All Saints church.**

### Parish Council.

We have had 8 new benches put around the village footpaths, and at the bus stops. We have been really pleased to hear that they are being well received and well used.

There is still one bench that needs a home so we would be pleased to have any suggestions from you as to where it can go.

From time to time as a Council we have to consider whether we need a village plan for the future. More houses, where they could be placed, and if indeed it is a good idea, is one of the most important topics.

What are your views?

The Parish Council meetings are open to the whole village and the dates, times and agendas are on the village website and on the notice boards. If you have the time and the interest we would be pleased to see you there. The next meeting is at 7.30pm on 6th of October at the Trinity ..come along!!

### **Road users reminded to look out for each other in safety campaign**

Drivers and cyclists are being urged to look out for each other, as part of a joint drive by Norfolk County Council and Norfolk Constabulary to reduce the number of cyclist casualties on the road.

‘Mind out for each other’ encourages all road users to be more considerate towards each other with the aim of helping to make Norfolk’s roads safer – for both cyclists and motorists. Norfolk is regarded as a safe place to cycle, and 1 in 5 drivers cycle at least once a month, however both need to do more to keep each other safe.
