#9PM

It's the time of year when we start to see an increase in reports of thefts from cars, sheds and outbuildings. As the nights draw in and the weather becomes chilly we are all guilty of sometimes settling down in the evening and neglecting to check if our outbuildings, vehicles and homes are properly secure and these lapses can be seized upon by opportunist thieves taking advantage of insecure doors, windows and stealing valuables which are left out or on show in vehicles. The #9pmRoutine is an initiative backed by many Police Forces both in the UK and abroad which seeks to encourage residents to get into the habit of completing routine security checks. By setting a reminder on your phone or your alarm for 9pm get into a routine of checking your home, vehicle and any outbuildings are secure and valuables removed or hidden out of sight. Opportunist criminals look for an easy target. By completing the following checks life will be made all the harder for criminals. Check your vehicle, shut your windows, lock your doors and check your outbuildings

If you use Twitter look out for our reminder posts under the #9pmRoutine and let us know that you are all locked up by tweeting us @SouthNorfPolice and using the hashtag #9PMRoutine

WHAT'S HAPPENING IN YOUR AREA?

Following the recent spate of burglaries / break-ins around Poringland, Trowse and Arminghall, can I encourage you to report all crimes and suspicious activities online, using 101 or to myself. Reporting on social media will not necessarily generate reports to the police, so can I ask that this is done as well. Can I remind everyone to make sure everything is locked and secure, including vehicles, outbuildings and sheds/garages.

On a positive note it has been encouraging to see how everybody has pulled together in times of need during these unprecedented times and I wish you all a happy Christmas and New Year.

Stay safe,

Sherry
