In attendance were ...

J Hope [Chairman], J Nott[Vice - Chairman], B Sims, P Grant, P Lowndes-Burt, H Walker and S Dinsdale

DC Ellis was also present.

1. Minutes of a planning meeting on 13th April and the Annual Parish Meeting of 16th April were accepted as an accurate record and signed by the Chairman.
2. Planning Application 2015/0420 Naidens, The Street.

The following points were raised at the meeting.

- There was some initial confusion as to the position of the 'old' garage that was to be replaced.
- The new 'garage' is very much larger and has an associated storage space within the proposed building.
- Not all outside buildings are shown on the plan thus a judgement about 'overloading' could not be made.

Nevertheless the planning application was considered and **accepted** by a majority decision.

The meeting closed at 6.22pm

The next meeting of the Parish Council will be the first of the new council and will be held at the Trinity at 7.30pm on Thursday the 21st of May
