Message from Inspector Andrew

It has been a particularly busy month across South Norfolk due to an increase in demand, with my officers working extremely hard and having dealt with a number of challenging incidents. This month has also seen the carriageway clearance project go live, with officers trained by Highways England now able to remove certain highway obstructions enabling roads to be cleared quickly and safely, whilst reducing the amount of time officers spend waiting for the road to be cleared. This month also sees Sgt Tracey Fox from the OPT retire after over 30 years service in the Police, and I would like to thank her for all her help and wish her all the best in her retirement.

Message from your Engagement Officer

This month we launched a social media campaign encouraging residents to get in the habit of completing a #9PMRoutine.

The idea comes after the incredible success of a concept launched in Pasco County, Florida in America, which asks the public to check certain things around their home at a designated time.

We know that some criminals are opportunistic, looking for that quick and easy win.

By completing the #9PMRoutine residents are making life so much harder for offenders. This will ultimately result in a reduction in crime.

Residents are asked to conduct the following checks:

Check your vehicles, Shut your windows, Lock your doors and Check your outbuildings

We've had a spate of tools being stolen from vehicles across the county and we hope this routine helps remind you to make sure your vehicles are locked and that any valuables are removed.

What is happening in your area

Message from your Beat Manager Pc Sansbury

"Norfolk Constabulary is promoting a '9pm Routine' this summer, an highly effective police initiative that originated in Florida, US. What we are asking the public to consider, is to set an alarm on your watches, mobile phones and/or tablets at 9pm each evening to remind you to check that your doors, windows, vehicles and outbuildings are locked. The aim is to promote crime prevention, especially during this really hot weather – further details can be found on our website.

Lastly, our Beat Manager team in South Norfolk has been nominated as the Safer Neighbourhood Team of the Year, at our annual NOSCA's. We've tried our best to reduce crime and ASB, and it's nice that our efforts have been recognised.

I hope you continue to enjoy the summer holidays, and I'll see you on my travels.
