## Message from Inspector Andrew

It has been another busy month across the area, with officers having dealt with a number of vulnerability matters in particular. They have shown hard work and compassion, and I am extremely proud of how they have worked as a team.

We will shortly be welcoming some new student officers onto the area, who will spend a number of weeks with their tutor Constable before becoming eligible for independent patrols. I hope you may be able to join us at the next South Norfolk public meeting, which will be held on Wednesday 10 October in Cringleford. This will give you the chance to meet myself and the rest of the South Norfolk team, and discuss any matters you wish to raise.

## What is happening in your area

### Message from your Beat Manager Pc Sansbury

"I hope that you've all enjoyed the Summer holiday break, and had the chance to relax and unwind with family and friends. Now that September has arrived, children of all ages are returning back to schools and colleges, which means that we see renewed reports concerning the standard of driving on the roads, and hear issues raised by local residents concerning poor parking when parents are dropping off / picking up children. Can you please respectfully consider this.

Over the last month I have had several complaints made in regards to Anti-Social Behaviour in locations such as Dunston Common, the Caistor St. Edmund Roman Fort car park, the Memorial Playing Field in Poringland and at the Gillingham roundabout. This month, however, a number of South Norfolk police Special Constables have begun a 'Beat Manager Attachment', who will be conducting high visibility police patrols alongside me in specific locations such as these, as well as targeting the top speeding locations in each Beat. I believe that this will make a big impact.
